Richmond Parks Department Applying For Grant

Richmond, IN – The City of Richmond will hold a public hearing, Tuesday, February 26, 2008, at 12 Noon in the Community Room of the City Building to gather input concerning the Richmond Parks & Recreation grant application for a Planning Grant. The funding is available from the Community Development Block Grant (CDBG) program from Indiana Office of Community and Rural Affairs.

The CDBG will fund up to \$20,000 for a planning grant. The Parks Department intends to use the funding to complete a Five Year Master Park Plan. The City is required to match the grant amount with 10%, which is included in the 2008 Parks budget.

Persons interested in the Planning grant application are encouraged to attend the public hearing.
